**The Daily Poem**

**WANDERLUST**  
When I look down at the valley,  
then the valley seems to me  
that enchanted beauty sweeps me  
when I climb the mountain.

But when I climb the mountain,  
then the valley seems to be  
the most beautiful, most benignant  
visions hide.

For when I'm on the mountain,  
gazing down on valley trails  
I am always, always, winding  
through a maze.

Of sweet dreams that but my wander  
and my vagabond life bring sales  
On the quest of things that lie in  
mountain ways.

And so I'm lured by longing—that  
when I'm on the mountain,  
For elusive beauty in each distant  
place—

I know where this wanderlust  
that what I'm searching for  
is the valley, the valley that always  
lies in your favor.

**IF BACK HURTS  
FLUSH KIDNEYS**

Drink Plenty Water and Take  
Glass of Salts Before Breakfast  
Occasionally

When your kidneys hurt and your  
back feels sore, just wash and  
proceed to load your stomach with  
a lot of drugs that excite the kid-  
neys and irritate the back.

Keep your kidneys clean like  
theirs when you do, and flush them  
with a mild, harmless  
wash which removes the  
toxic, irritable poisons from  
them to their normal activity.

The best way to do this is to  
stir the blood. In 24 hours they  
will be clean. It is good of acid  
and water to do this, and it is the  
real importance of keeping the  
kidneys healthy.

Drink lots of good water—your  
body needs it. Don't take any  
pharmaceuticals about for cure,  
but if you do, take a tablespoon  
of a good salt wash each morning  
for a few days and you will  
feel better.

This famous salve is made from the  
skins of grapes and lemon. Just  
one spoonful of this salve will  
heal you up in no time. It has  
been used for years to help clean  
and stimulate the kidneys and  
neutralize the acids in the system.  
It is a real kidney salve, and it  
is the best. This salve is often  
used by those who have had  
kidney trouble.

Take a few drops of this  
salve and you will feel  
better. You can get this  
salve at the local drugstore  
or at the druggist's. It is  
a real kidney salve, and it  
is the best. This salve is often  
used by those who have had  
kidney trouble.

## ASK ABOILITION OF INSPECTION LOCAL HORSES

**Horse Breeders Want Stallion  
Enactment Act Modified—  
Other Resolutions**

Modification of the stallion en-  
actment to the extent of eliminating  
all restrictions on stallions in sales  
within the province was approved  
in principle by a resolution adopted  
by the diverse Alberta Agricultural  
horse breeders association  
yesterday afternoon.

The station inspection  
during the past has received but  
little support from the horse  
breeders, inasmuch as there  
are but a considerable number  
of stallions in the province.

Another resolution approved re-  
quested the government to extend  
the time for formal registration  
of horses until April 16.

Those using a certain stallion are  
given a year to reduce the services  
from 100 per cent to 50 per cent  
when the stallions used comply with  
the rules of the association.

Farmers in the most  
part have difficulty in getting organ-  
ization to meet the time limit he-  
reinstated, and after the spring show  
had been held, the association  
had made arrangements to have  
the show and made arrangements  
to have the stallions registered which was  
postponed.

Many Grade Sires

It was pointed out that there were  
still a number of grade stallions  
available for sale, and unless definite  
steps are taken to prevent a continuance  
of the practice, the stallions will  
result in a result to a com-  
munity where all grade stallions owners  
would be prevented from standing  
at the same time, and the community  
considered the one means of over-  
coming this.

Joe Lambeth of St. Albert was  
appointed by the meeting to repre-  
sent the association to the Legisla-  
tive Assembly.

Arrangements were made to hold  
a public hearing on the proposed  
breeders' association March 4.

of the Mid-Altais, presided.
